EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Paul Greeley (Reg. No. 31,019) on August 10, 2004.

In claim 1, line 5 change "...flexible criteria;" to --...flexible criteria of the particular print job received;--.

In claim 14, line 3 change "...flexible criteria;" to --...flexible criteria of the particular print job received;--.

Response to Appeal Brief

The examiner has reviewed the appeal brief filed July 26, 2004. The primary difference between the applicant's position on the scope of the claims and the position held by the examiner was in the interpretation of the "flexible criteria" as claimed in relation to the determining step of claims 1-13, 26 and 27 and to the processor of claims 14-25. According to the applied rejection utilizing Nohata et al. '386 the "flexible criteria" was based on a user preference but was not associated with any particular print job. The above amendment overcomes this interpretation and places the claims in condition for allowance.
